Mannai Corporation Head Office

Key Facts

Client	Mannai Corporation
Completion Date	February 2019
Project Value	QR 25 Million

Description:

This project was a design and build of offices spread 10500 square meters. We developed a full design working closely with the Client. Starting from concept design supported by 3D visuals, detailed shop drawings, coordination of various-disciplines subcontractors to a set of handover documents with as-built drawings. The areas included a main reception, open office areas, luxurious executive offices, breakout spaces, meeting rooms, training auditorium and Innovation centre.

Scope of Work:

- Gypsum & glazed partitions, painting, stone cladding
- Life safety systems, Power, data & lighting, Air conditioning
- Gypsum decorative ceilings
- Marble & carpet flooring
- Door fixing, Joinery
- Sanitary ware
