Nando's Restaurant at DFC

Key Facts

Client	Oryx Group
Completion Date	May 2017
Project Value	QR 2.5 Million

Description:

The International chain of Nando's was a challenging project as each Nando's restaurant has a different design. Most of the finishes in the front of house are bespoke such as the wooden ceiling design and clay textured paint finish on the walls.

Scope of Work:

- Combination of dry and wet screed
- Floor tiles
- Bespoke metal and wooden ceilings
- HVAC
- Electrical, lighting, life safety systems
- Wooden floors and epoxy floors
- Ceramic wall tiles
